23 November 2016

Dear Parents and Carers

Back by popular demand:

"ENTREPRENEUR WEEK" 28 November 2016 – 2 December 2016

Each class will receive £5 'start-up money', with the ultimate aim being to see if they can:

"Make £5 Grow"

The children have to work as a team, think creatively and become the next generation of entrepreneurs.

After the event the children will choose how to spend the money.

Last year the children earned over **£1000** net profit and they chose to spend their money on a variety of things, from games and other additional classroom resources to a trip to the cinema.

This year all the classes will produce a product that they can sell at the Christmas Fayre, which will take place after school on Thursday, 8 December. We hope you will all come along and support your children by purchasing their goods, and maybe crossing a few Christmas presents off your list at the same time!

If you have experience of setting up your own business and would be willing to talk to the children about it then please contact your child's class teacher.

Yours sincerely

Michael Barnes
