Wednesday 10<sup>th</sup> January, 2018

Dear Parents/Carers,

### Parent Information Event

We are delighted to invite you to our Parent Information Event which will take place on **Wednesday 17<sup>th</sup> January from 7 pm – 8 pm.**

It has been organised in response to our parental survey at the last Parents Evening where there was an overwhelming demand for up to date information regarding teaching strategies and expectations in Maths and Writing.

School is excited to be involved in a national **maths mastery research project** this year in partnership with Hunter's Bar Junior School and have introduced many new teaching methods. Parents will be informed of the 'key instant recall facts' that are expected for each year group, alongside a brief overview of the new approach and ways to support at home.

The new writing curriculum has proven to be challenging but we are proud to report that Ofsted agreed our pupil standards are high, and outcomes are well above national average. Find out why and how you can support your child to be a better writer.

**Both presentations will begin at 7pm and be repeated at 7.30pm.** You are free to choose which presentation to attend and at what time. All teaching staff will be involved and available for questions at the end.

We hope that you will be able to come along and as a result, feel more confident in supporting your child with their learning.

Yours sincerely,

*Catherine Carr*  
Head Teacher
