Dear Parents and Carers

Sports Relief – 19 to 23 March 2018

Next week all the children in school will be taking part in various sporting activities as part of Sport Relief. Sport Relief is a biennial charity event from Comic Relief, in association with BBC Sport, which brings together the worlds of sport and entertainment to raise money to help vulnerable people in both the UK and the world's poorest countries. When you join in with Sport Relief, it doesn't just feel good, it does good! The money you raise makes an incredible difference, with 50% funding projects in the world's poorest communities, and the other 50% used to transform lives right here in the UK.

As the timetable will be very varied, please ensure that your child comes to school everyday in appropriate sports clothes and footwear appropriate for both indoor and outdoor activities.

Some of the different sports the children will be trying during the week include tennis skills, yoga, dance at Constance Grant, squash and tennis at the Hallamshire Tennis Club and activities with the staff from Virgin Gym. However, not all year groups will take part in every available activity, as the timetable varies from year group to year group.

Foundation Stage children will remain in school for their activities during the week. However, the children from Key Stage One will be walking to external providers to undertake some of their coaching (please ensure that your child has a suitable coat in school all week for their journey). We will use the general permission slip we already hold on record for local visits, but if you have any questions about the permission please speak to your child's class teacher.

No charge is being made for the activities, however if you wish to make a contribution to Sport Relief each class will be collecting donations all week.

Yours sincerely

Jill Ellis and Rachel Vickers
School Leaders for Health and Wellbeing
