Dear Parents and Carers

Guitar Lessons

The Sheffield Music Hub is once again able to offer guitar lessons at Hunter's Bar Infant School, for up a limited number of Year 2 children.

The classes will take place in groups of three children and will last for half an hour one afternoon a week. The teacher will be Mr Bartholomew who also teaches guitar and other instruments at the Junior School. Lessons cost £6.00 each and you will need to commit for a full term.

Children who wish to take part will be required to provide their own guitar as the Music Hub is unable to hire them out. A full size instrument may be too large for children, therefore it is recommended that, at this stage, a three quarter size instrument with nylon strings should be purchased. Mr Bartholomew says that these are easy to get hold of and cost in the region of between £30 and £45. Any make of guitar is appropriate, however if you have a choice Mr Bartholomew has said that Valencia is a particularly good make.

If your child is interested in learning the guitar, please complete and return the slip below and return it to the school office by **Monday, 18 September 2017**. As places are limited, we will contact you once again shortly after 18 September 2017 to inform you about whether your child has been successful in securing a place.

Yours sincerely

Catherine Carr

Guitar Lessons

I would like my child in Class to take part in **guitar** lessons. I understand that I will need to purchase a suitable instrument for my child to play and I agree to pay for a full term of lessons.
