Summer Term Enrichments in Year 2

Dear Parents and Carers,

This term our topic is Explorers. We are excited to announce the Space Dome is once again returning to Hunter's Bar Infants on Thursday 8th June. This is a fantastic enrichment that takes place in our School Hall. Once inside the huge dome the children take part in a shuttle launch, explore the solar system and visit far away galaxies.

We are going to run two workshops the same day. These workshops will allow the children to taste the space food astronauts eat at the International Space Station and conduct a scientific experiment to create Space Goo.

As part of this topic we are going to have a day's learning in Bakewell, Derbyshire. The children will travel by coach to Bakewell and explore the town making comparisons between the rural setting and the urban setting of our school. We will also be asking the children to navigate around the town using maps. The children will work in teams with adults exploring the town and the many different landmarks.

We will take the opportunity to complete observational drawings, record data to be used in maths lessons and collect information and pictures to be used in our comparison and recount.

We will be travelling to Bakewell on Thursday 13th July, leaving school at 9am and returning for the end of the school day at 3:20pm.

On this day children will need to wear suitable clothing and footwear. We will be spending most of the day exploring so comfy, supportive shoes are a necessity.

Children will be required to have a packed lunch. If you are registered for a packed lunch with school, one will be provided for your child. If you are unsure if you are registered for a packed lunch please contact the main school office. Drinks are not provided with school packed lunches so please ensure your child has a full plastic water bottle to take on the visit.

We ask for a contribution of £10 is returned with the permission slip below to enable these fantastic enrichments to take place.

Many Thanks

Year 2 Team

Michael Barnes Amy Halliday Katie Newton

Y2 Summer Enrichment

I give permission for _____ in Class ____ to take part in the Space Dome enrichment on Thursday 8th June 2017 and visit Bakewell on Thursday 13th July 2017.
