

Learn Together

Pre Covid we have always held a Learn Together event in school, inviting parents and carers in to listen to a series of presentations by our teaching staff.
Due to restrictions this isn't possible.

Instead, our Subject Leads have created some short video presentations about their subject areas and how the subject is taught progressively throughout the school.

These videos can be watched on our whole school blog page at
<https://blog.seesaw.me/hbyschool>

You can also access them via your child's Seesaw account by clicking on Blog and selecting Connected Blogs.

if you have any questions about any of the subject presentations please send a message via Seesaw Family and they will be passed on to the relevant teaching staff.

We hope you find them interesting and informative.

Thank you
