

# Autumn is....

In Science we study autumn and the seasonal changes in plants, animals and the weather.

Children you may submit either:-

1. A photograph of your creative work depicting what Autumn means to you. You may use paint, chalks, collage, junk modelling, natural materials, modelling clay or playdough, construction or any other medium.

OR

2. A photograph that means AUTUMN to you.

Email your entry stating your name and class to your year group email address.

One entry per pupil attending Hunters Bar Infant school by no later than midnight on Monday 29th<sup>th</sup> November 2021.
