Dear Parents and Carers

In our letter about nativity safety we said that we would be monitoring the situation and reviewing our ongoing safety procedures, making changes accordingly.

I can assure you that we are taking as many measures as possible to mitigate risk, such as ensuring the windows are open, limiting numbers etc.

In addition, we are asking that all parents attending any nativity concert:

- Wear a mask
- Sanitise upon entry
- Sit on a separate bench in the hall (one bench per household)

As the national picture is changing, we would now like to ask that anyone attending a concert undertakes a lateral flow test on the morning of the performance and to only attend if it has a negative result.

We will continue to monitor the local and national situation, but wanted to alert you to the potential of further changes, such as reduction in the numbers attending or even possibly cancellation.

Obviously, we hope this won't be the case, however we will aim to give you as much notice as we can of any changes we need to make.

Yours sincerely

Catherine Carr
