Hilda and the Troll

by Luke Pearson

I love it!

Meet Hilda. She can never sit still for long without setting off on another adventure. While on an expedition to seek out the magical creatures of the mountains around her home, Hilda spots a mountain troll. As she draws it the blue-haired explorer starts to nod off... when she wakes, she finds herself lost in a snowstorm and her troll has totally disappeared. On her way home, Hilda ventures deep into the woods, befriends a lonely wooden man and narrowly avoids getting squashed by a lost giant.
