## Isadora Moon Has A Birthday

by Harriet Muncaster

*It's great.*

Half vampire, half fairy, totally unique! Isadora Moon is special because she is different. Her mum is a fairy and her dad is a vampire and Isadora is a bit of both. Isadora loves going to human birthday parties, and now is going to have one of her own! But with her mum and dad organizing things, it's not going to be like the parties she's been to before ...
