Super Happy Magic Forest

by Matt Long

I love this book because it's so fun and it has magic crystals and adventures and things to find out.

Winter is coming - and the residents of the forest do not like it one little bit. The snow is too cold, the ice is too slippery, and the frost is destroying their prize winning gardens. Five brave heroes (a unicorn, a mushroom, a faun, a fairy, and a gnome) must travel to the Frozen North to overthrow the Snow Queen and save the forest. But will they be able to outwit her army of snowmen?
