The Extraordinary Gardener

by Sam Boughton

I like this book because it has lots of colour and the boy grows some beautiful plants and shares them.

Joe is a boy just like any other, but Joe loves to imagine. Joe lives in a pretty ordinary tower block, in a rather ordinary city. His world is rather grey. However, he spends his time imagining a wonderful world filled with exotic plants and unusual animals. One day Joe decides to plant a seed on his balcony, he waits and waits but nothing happens!
