The Penguin Who Wanted to Find Out by Jill Tomlinson

I enjoyed this story.

Otto is a penguin chick, that much he knows, but other than this he had a lot to learn. Life at the bottom of the world is a curious thing and life can change at a moment's notice. The next blizzard, the next meal, the threat of being orphaned are all challenges that must be faced. But how will Otto and his friends manage? The only way penguins can do - by looking after each other.
