

Celebration Awards

31 March 2023

This week saw the inaugural HBIS Egg Rolling competition take place. Each class decorated an egg and launched it down the egg rolling chute, set up in the egg rolling arena and its rolling distance measured. Each class champion then took part in the grand final during Friday's Celebration Assembly, to find our very first HBIS Egg Rolling Champion! It was a very close competition and very egg-citing event for all! Congratulations to all those taking part.

Class Champions
