And Tango Makes Three

Peter Parnell and Justin Richardson

Roy and Silo are boy penguins who live in the zoo in New York's Central Park. They like to spend all their time together, and so just as the boy and girl penguins begin to build nests, so do Roy and Silo. But then eggs start to appear in all the other nests, and Roy and Silo's nest remains empty. One day Mr Gramzay the zookeeper finds them trying to hatch a stone, he realises that it may be time for Roy and Silo to become parents for real..

And Tango Makes Three by **Justin Richardson** and **Peter Parnell**, with charming illustrations by **Henry Cole**, tells the heartening true story of Roy and Silo, two male chinstrap penguins at the Central Park Zoo, who fell in love in 1998 and started a family, raising little Tango. *And Tango Makes Three* has also won multiple awards.
