The Invisible String

Patrice Karst

*Parents, educators, therapists, and social workers alike have declared *The Invisible String* the perfect tool for coping with all kinds of separation anxiety, loss, and grief.*

A mother tells her two children that they're all connected by an invisible string. "That's impossible!" the children insist, but still they want to know more: "What kind of string?" The answer is the simple truth that binds us all: An Invisible String made of love. Even though you can't see it with your eyes, you can feel it deep in your heart, and know that you are always connected to the ones you love.

Does everybody have an Invisible String? How far does it reach?
Does it ever go away?
