Charlie and the Chocolate Factory by Roald Dahl

I like this book because I like chocolate. The best bit is when Charlie finds his golden ticket. I also like the Oompa Lumpas and when they sing the songs. I didn't like it when Augustus Gloop fell in the river.

Mr Willy Wonka, the most wondrous inventor in the world, opens his gates of his amazing chocolate factory to five lucky children. Gobstoppers, sweets and a river of melted chocolate delight await - Charlie needs just one Golden Ticket and these delicious treats could all be his!
