The Most Exciting Eid

Zeba Talkhani

Just one more sleep before EID!

Safa is so excited for Eid-al-Fitr. She loves drawing **henna** patterns on her hands, decorating her home and munching on **biryani**, **kebabs** and **samosas**. It is the perfect day.

Then the *best* part comes: she gets to open her presents! She is gifted a shiny pink bicycle. The only thing is she absolutely *doesn't* want to share with her cousin, Alissa.

As her mum takes her on an adventure to gift delicious Eid treats to all their neighbours, Safa will realise how wonderful it is to make others happy...and will want to make it up to Alissa.

After all, what makes Eid exciting is sharing special moments with the people we love.
