Kitty and the Star Stone Robber

by Paula Harrison

I love this night time adventure with Kitty!

Kitty is a superhero-in-training with feline super powers. She dreams of being just like her superhero mum one day, but she's still got a lot to learn. Join her for a series of enchanting adventures by the light of the moon.

In this adventure, Kitty is called to a break-in at the city museum. Dinosaur bones, glittering gems, and a special sparkling meteorite are all missing. Kitty has a clear idea of who the robber could be, but is it a case of mistaken identity?
