Guinea Pigs Online

by Jennifer Grey and Amanda Swift

I have really enjoyed these books.

Fuzzy and Coco are guinea pigs who live with their kindly owners, Ben and Henrietta Bliss. Coco likes to spend her days pampering herself and listening to harp concertos. Fuzzy is much more down to earth - he is a passionate cook who wants nothing more than to learn to make delicious meals for Ben and Henrietta.

So when Fuzzy spots an ad run by glamorous local chef Scarlet Cleaver stating 'Guinea Pigs Wanted', he is enormously excited - what a chance to learn some cooking skills! Coco warns him that the ad is not what he thinks, but he won't listen; when she's not looking, he sneaks off to find the restaurant.

And so Coco has to get online to try track Fuzzy down. But when Micespace reveals that guinea pigs from all over town have been taken away in a van by Scarlet Cleaver herself, Coco must set off on a rescue mission to prevent Fuzzy from ending up as main course on The Meat Cleaver's menu!
