Sam Wu is not afraid ...

by Katie and Kevin Tsang

I really enjoy listening to this on audiobook.

Funny series about the bravest scaredy-cat in the world Sam Wu is NOT a scaredy-cat (except when he is).

When a trip to the Space Museum goes terrifyingly wrong, Sam begins a mission to prove to the school bully, and all of his friends, that he is a fearless space adventurer.

When a shark TOTALLY tries to eat him at the local aquarium, he decides he's not going to take any more chances. So at his friend's birthday party at the beach, Sam refuses to dip even a toe in the water. Nothing could go wrong now, could it?

When Sam goes camping in the woods with his friends and cousin Stanley, who knows what scary kind of things they'll face . . . ?

When Tulip, the school tarantula, disappears from her cage, Sam decides it's up to him and his friends to save the school from the eight-legged escapee . . .
