A Year of Nature Poems

Joseph Coelho

See how animals behave through the seasons, and the cycle of trees and plants, from the first blossoms of spring through to the stark winter wonderland in December.

The book includes twelve inspiring poems from Joseph Coelho, one for each month of the year, paired with folk art from Kelly Louise Judd.

The book of poems aims to spark an idea for your own poem, or to teach a love for nature and to help children foster a love for the natural world.
