

PE Kit at Hunter's Bar Infant School

All children are required to independently get changed in their classrooms for all PE sessions, including KIXX sessions. This decision has been made to ensure maximum safety and enjoyment in all PE sessions.

We ask that children have a drawstring bag containing PE kit in school at all times. The bag and its contents **should be clearly labelled with your child's name and stored on your child's peg**. Our recommended PE kit is:

- Shorts, skort, leggings or jogging bottoms
- A plain t-shirt/polo shirt
- A sweatshirt
- Plimsolls or sports trainers (separate to school shoes and kept in PE kit)

For your convenience, PE shorts and t-shirts bearing the school logo are available for purchase using the same website as regular uniform, should you wish to use this option.

In addition to the above, we request that all children with long hair ensure it is tied back securely before participating in PE. If your child has long hair please ensure there is a stock of hair ties in their PE kit bag. This measure is designed to prevent any potential accidents or injuries, as loose hair can become caught in PE equipment. Children will also be expected to partake in gymnastics sessions in bare feet. All jewellery (studs and watches) must be removed prior to PE sessions. Newly pierced ears are to be covered by plasters, brought from home, for 6 weeks. If, after this period children are unable to remove their studs independently, they must be covered with microporous tape or plasters brought from home for the safety of your child and others.

For the safety of all children, those who do not have their PE kit available in school will not be able to participate in PE lessons. We appreciate your cooperation in helping us maintain a safe and organised environment for our children.

Examples of PE Kit

Polo Shirt

T-Shirt

Trainers with Rubber Sole

Plimsolls

Drawstring Bag

Sweater

Jogging Bottoms

Skort

Shorts

Leggings
