Along Came a Different by Tom McLaughlin

Reds love being red. Yellows love being yellow.
And Blues love being blue. The problem is that
they just don't like each other.

But one day, along comes a different colour who
likes Reds, Yellows and Blues, and suddenly
everything starts to change.

Maybe being different doesn't mean you can't be
friends ...ence and that, by working together with
others, anything is possible.
